

### REMARKS

Upon entry of the present amendment, Claims 1 and 3-9 remain in the application.

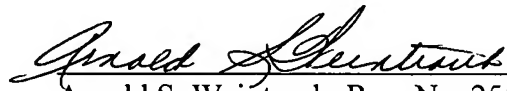

In the Office Action, the Examiner has noted the inadvertent omission of certain language from Claim 1. To this end a new set of claims has been presented herein with the corrected version of Claim 1.

Accordingly, it is submitted that a reply on the merits to the previous amendment is now merited.

If the Examiner feels that the prosecution can be expedited, then the Examiner is courteously requested to place a telephone call to the Applicant's attorney at the number listed below.

Respectfully submitted,
